

THE NEWS FROM THE OLD NORTH STATE AND ITS CAPITAL.

HAPPENINGS IN NORTH CAROLINA

A Horrible Murder Committed Southeast of Southern Pines.

APPROACHING STATE FAIR

The indications are that it will be a gratifying success under the management of the New President, and his assistants—A former Charlotte printer honored in South Carolina—Democrats, Republicans and Populists continue to make nominations.

(Special to Virginian-Pilot.)
Raleigh, N. C., July 6.—A special dispatch from Southern Pines has this to say of a horrible murder:
The most foul murder ever committed in this section occurred two and a half miles southeast of Southern Pines last evening about twilight, when some unknown assassin shot to death Mr. E. Lamsden, Jr., formerly of New Rochelle, N. Y. He was arranging matters about his house, and the fatal shot struck him as he was stooping over a trough from which he watered his horses.

Dr. McLeod, of Carthage, was telegraphed for, and upon investigation found that the entire charge from the gun entered the right chest, passing down through the heart and out at the left side, fearfully lacerating the body.

A GREAT FAIR.

Mr. Charles McNamee, attorney and general manager of the famous Vanderbilt estate, Biltmore, N. C., has returned home after quite an extended Western tour looking after business interests. When Mr. McNamee was elected to the presidency of the North Carolina Agricultural Society at Raleigh last fall it was generally conceded that a more suitable selection could not have been made, and the choice of the Board of Directors met with warm approval.

Mr. McNamee thinks that the outlook for a great fair at Raleigh this fall was never brighter, while Secretary and Assistant Secretary and Treasurer C. B. Denson both concur in the opinion. Numerous attractions other than the regular program have been secured, and all signs seem to indicate that the largest crowd ever seen in Raleigh will gather there this fall during fair week, October 23, 25 and 26th.

The speed program, which is always a drawing card, as prepared under the supervision of Mr. C. McNamee, manager of that department, is a very attractive one, the purses for winners, pacers and runners ranging from \$50 to \$200 each, while an extra amount has been reserved for specials.

A TARIFF HONORED.

Mr. James H. Moore, a native of Charlotte, brother of Mr. Charles Moore, of Gilbreath & Co., and raised as a printer on the Charlotte Democrat, when Mr. Yates conducted it, is a candidate for Attorney-General of South Carolina in the pending primaries. Mr. Moore has lived in South Carolina a number of years. He has been editor of the Charleston Sun, and is now a Columbia lawyer. From a reading of the South Carolina papers it would appear that he is somewhat of an issue in the politics of that State, and the Columbia State is backing him for Attorney-General for all it is worth.

NOMINATIONS.

The following nominations were made yesterday: The Ninth district Senatorial convention convened at Warsaw, J. T. Foy, of Scott's Hill, Pender county, was nominated on the first ballot. Ticket now is J. F. Aycock, of Wayne, and J. T. Foy, of Pender, for the counties of Wayne, Duplin and Pender. The attendance was large and the interest great.

The Republican and Populist clans met in Lenoir in mass meeting, the Republicans to nominate a county ticket and the two parties combined to bow down before their respective bosses, Congressman Linney and Senator Butler. Solicitor Harshaw was chosen chairman of the meeting, the first action of which was to take down M. A. J. Crisp, nominee of the Republican party for the legislature, who has recently pledged himself to vote for the amendment, and to name in his stead Mr. John Ishell. The other nominations were: For county solicitor, A. W. Dula; for sheriff, W. S. Miller; for register of deeds, Morton Triplett, independent, was endorsed; for treasurer, A. C. Sherrill; for county commissioners, J. P. Curtis, leaving the other two candidates to be named by the Populists.

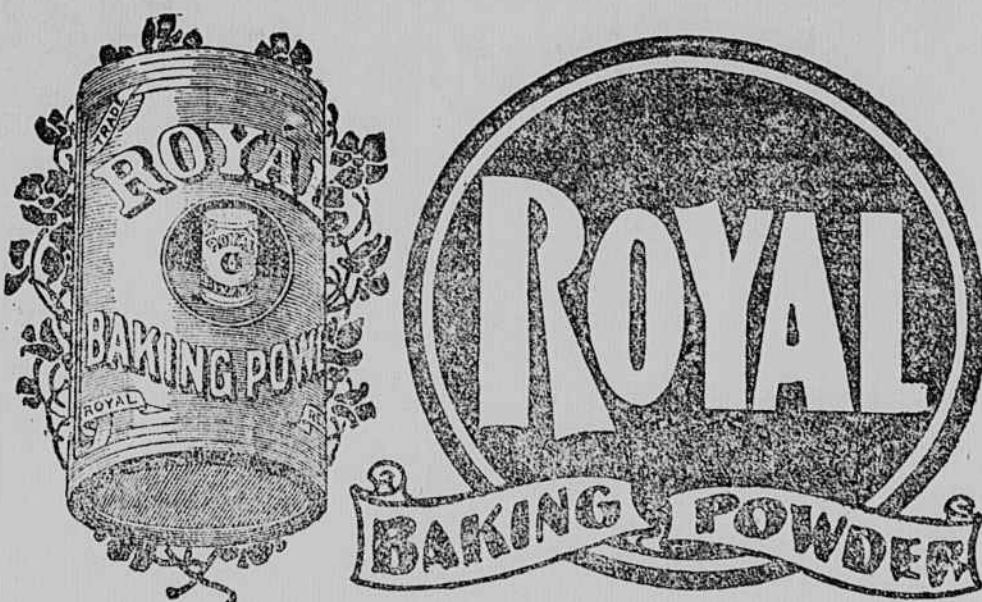

The following ticket was nominated: For the Senate, Allen K. Smith; for the House, C. W. Richardson and John M. Morgan; for sheriff, Jesse T. Ellington (nominated by acclamation); for treasurer, John W. Foutell; for register of deeds, J. M. Stephenson; for surveyor, Thomas R. Fulchum; for coroner, Dr. J. B. Person; for commissioner, C. M. Wilson; J. H. Boone, George H. Perry, W. T. Bailey and W. W. Cole.

The Democratic county convention for Cherokee county met to-day and nominated the following ticket:

For representative, M. L. Mauney.
For sheriff, C. P. Farnsworth.
For register of deeds, W. B. Sneed.
For treasurer, M. C. Kinn.
For surveyor, H. S. Hayes.
For coroner, H. N. Taylor.
For county commissioners—R. J. Roane, Gay Bryant and John Dockery. Joel L. Crisp was nominated by the Republicans to run against J. S. Bell for the Senate. He and Bell will make a joint canvass, and in one instance at least the Republicans will hear a Democratic speaker.

JEFF DAVIS MONUMENT.

A special from Goldsboro says: The "Forest Party" given on evening of the Fourth by the daughters of the Confederacy was quite a success. The tobacco warehouse was decorated in red, white and blue, with wreaths of evergreen strung throughout the spacious room. Large pictures of Jefferson Davis, Stonewall Jackson and Robert E. Lee greeted visitors as they entered. The music was furnished by the Knights of Pythias band, and the festivities lasted well into the night. The net proceeds foot up about \$130 for the Jeff Davis monument fund.

(By Telegraph to Virginian-Pilot.)

SILVER REPUBLICANS.

OPPOSE IMPERIALISM AND THE TRUSTS—FAVOR INCOME TAX. (By Telegraph to Virginian-Pilot.)

Kansas City, July 6.—The Silver Republican platform declares for the repeal of the new currency law and for a monetary system based upon the free and unlimited coinage of silver and gold into money at the present legal ratio of 16 to 1 by the independent action of the United States, under which system all paper money shall be issued by the government. It favors a graduated income tax, election of Senators by direct vote of the people, extension of the merit system, destruction of unlawful monopolies and combinations, upholds the Monroe doctrine, declares that the inter-oceanic canal ought to be controlled by the United States, asserts the destruction of the Boer republic to be a crime against civilization, demands repeal of war taxes and fulfillment of the nation's promises to Cuba.

The anti-imperialistic plank follows: "We declare the Porto Rican tariff law to be not only a serious, but a dangerous departure from the principles of our form of government, and are opposed to monarchy and to the whole theory of imperialistic control. We believe in self-government—a government by the consent of the governed, and are unalterably opposed to a government based on force. It is clear and certain that the inhabitants of the Philippine archipelago cannot be made citizens of the United States without endangering our civilization. We are, therefore, in favor of applying to the Philippine archipelago the principle we so solemnly pledged to observe in the case of Cuba."

Hanna on the Platform.

(By Telegraph to Virginian-Pilot.)

Cleveland, O., July 6.—Senator Hanna, when asked for an expression on the Democratic platform, said: "From what I have read, I can see that it is a cunningly devised scheme to catch the unwary and the unthinking voters. I think the most labored effort in their document was to create a difference between expansion and

imperialism. It is rather amusing to see their line of demarcation. They apparently rely upon the constitutional question to establish that difference as to whether the flag follows the Constitution or the Constitution follows the flag. We are perfectly willing to meet that issue on their own hypothesis. So far as the free silver plank is concerned, I think all Republicans will be satisfied with that. It is certainly satisfactory to me."
